Room Description

Luxury Suites at Pathways Sailors Bay are custom designed and built solely around our residents needs of care, comfort and enjoyment. The interior combines practicality and aesthetics with timeless elegance and local influences. Elegant and modern designer furniture includes a dining table, dining chairs, arm chairs or couch, a coffee table, console and wall mounted flat screen TV's in both the lounge and bedroom area.

The bedroom area has an electric bed, bedside table and soft furnishings include bedspreads with throws and cushions. Floor reading lamps, specially commissioned artwork add a touch of sophistication. Each bathroom has an accessible shower with handrails, toilet, vanity, well appointed with stainless steel fixtures and contrast wall tiles creating a point of interest. Call bells next to the bed, toilet and shower ensure resident safety is paramount. Every room is air-conditioned with local climate control. Rooms have direct access to a balcony with stunning district or garden views.

Amenity and Common Areas

All common areas are air-conditioned. The lounge rooms approximating 50 square metres each are carpeted and have a large flat screen television with access to selected Foxtel channels and an in house entertainment system.

One lounge area has direct access to a courtyard (60m²) with exterior seating and stunning landscaped gardens. Furnishings include elegantly designed couches and armchairs, throws and cushions, floor and table lamps. Colours were specifically chosen by the interior design team to create a sense of calm and wellbeing. The adjacent dining room floor is natural stone with same soft furnishing colouring as the lounge (50m²).

The table seating for 4 and the stunning upholstered chairs help to create an atmosphere that enhances the whole dining experience of sharing restaurant quality dishes. Residents have access to landscaped designed gardens and 3 further courtyards on the ground floor.
